Car Show Registration Form

Thank you for your interest in participating in the car show. Please complete one registration form for each vehicle you plan to enter.

Submitting this form does not necessarily guarantee acceptance, a particular display location, or placement in a requested judging class. Event organizers may review entries and adjust vehicle classifications or display locations where reasonably necessary.

Vehicle eligibility & condition

The entrant is responsible for providing accurate information about the vehicle and ensuring that it is suitable for participation in the event.

If the vehicle will be driven on public roads to, from, or during the event, the entrant is responsible for ensuring that the vehicle, driver, registration, licensing, inspection, and insurance comply with applicable legal requirements.

Arrival, display & vehicle movement

Entrants must follow event instructions regarding arrival times, staging, unloading, trailer parking, vehicle placement, engine operation, and departure. Vehicles should not be moved within pedestrian or display areas except when permitted by event staff.

Any display equipment, signs, barriers, electrical equipment, canopies, ramps, mirrors, or other items brought by an entrant must be positioned and used safely and in accordance with event and venue rules.

Judging

If judging is offered, vehicles may be assigned to classes based on factors such as year, make, model, originality, modifications, vehicle type, or event-specific criteria. The event organizers or judges may reclassify an entry when appropriate.

Judging decisions and awards are determined according to the event's published procedures and judging criteria.

Risk & responsibility

I understand that participation in a car show involves risks associated with transporting, loading, unloading, starting, moving, parking, and displaying vehicles around other vehicles, participants, spectators, equipment, and property.

Possible risks include collisions, fire, mechanical failure, property damage, personal injury, theft, vandalism, weather-related damage, and damage caused by other participants or members of the public.

The entrant remains responsible for supervising and safeguarding their vehicle and personal property during the event.

Release of liability

In consideration for being permitted to participate, I voluntarily accept the inherent risks associated with exhibiting and operating my vehicle at the event.

To the fullest extent permitted by applicable law, I release and waive claims against the event organizer, venue, sponsors, employees, contractors, volunteers, representatives, and affiliated organizations arising from injury, loss, theft, or property damage connected with participation, including claims arising from ordinary negligence where such claims may legally be waived.

This agreement does not waive any rights or claims that cannot legally be waived under applicable law.

Photography & media

Car shows may be photographed or recorded. The media preference below applies to intentional use of identifiable images of the entrant or vehicle in event marketing and communications. At public events, incidental appearance in general crowd or event photography may not always be avoidable.
