Concussion awareness

Concussions are brain injuries that can happen from a blow to the head or body. Signs and symptoms may include headache, dizziness, confusion, nausea, blurred vision, sensitivity to light or noise, memory problems and changes in mood or behaviour. They may appear right away or hours later.

By registering, I and the player understand that:

- Any player suspected of having a concussion will be removed from play immediately.
- The player will not return to practices or games until cleared in writing by a qualified healthcare provider, in line with the league's concussion policy and applicable law.
- I will tell the coach if the player has symptoms of a concussion, including from an injury outside the league.

I have reviewed the concussion information provided by **[League or Club Name]** with the player.

- [ ] I have read the concussion information and discussed it with the player. *

Volunteer interest

Youth leagues run on volunteers. Please tell us how you might be able to help this season. Volunteers may need to complete a background check and safeguarding training as required by the league.

I may be able to help as

- [ ] Head coach
- [ ] Assistant coach
- [ ] Team manager or parent coordinator
- [ ] Referee or official
- [ ] Field or equipment setup
- [ ] Concessions or fundraising
- [ ] Not this season

Fees, payments and refunds

I agree to pay the season registration fee of **[Registration Fee]** per player, plus any uniform or equipment fees, by **[Payment Due Date]**.

- Registration is not confirmed until payment is received or a payment plan is agreed.
- Refunds requested before **[Refund Deadline]** are given less a processing fee of **[Processing Fee]**.
-

After **[Refund Deadline]** or once teams are formed, fees are not refundable except for a season-ending injury or relocation, at the league's discretion.

- If the league cancels the season, families receive a refund or credit as set out in the league's published policy.

Sibling discounts and financial assistance are available as set out in the league's policies.

Player code of conduct

Players are expected to:

- Attend practices and games on time, or tell the coach in advance if they cannot
- Listen to coaches and respect officials' decisions
- Treat teammates, opponents and officials with respect, on and off the field
- Play fairly and avoid fighting, bullying, harassment, abusive language and unnecessary roughness
- Wear the required uniform and safety equipment
- Not use alcohol, tobacco, vaping products or drugs at any league activity

---

Parent and spectator code of conduct

Parents, guardians and family members are expected to:

- Support all players with positive encouragement
- Leave coaching to the coaches and officiating to the officials
- Not shout at, argue with or abuse players, coaches, officials or other spectators
- Raise concerns calmly and privately with the coach or league, not during games
- Drop off and collect players on time

The league may warn, suspend or remove players, parents or spectators who break these codes. Suspension or removal does not entitle the family to a refund.

Photos and media

The league and teams may take photos and video at practices, games and events for team pictures, coaching and keeping families informed. Please choose whether we may also use images of your player publicly.

Photo and video consent *

- ◯ I allow photos and video of my player on the league's website, social media and promotional materials
- ◯ Use photos and video for team pictures and family updates only
- ◯ Do not photograph my player

Activities and risks

The player will take part in practices, games, tournaments, team events and travel to away games where applicable.

Youth sports involve running, physical contact and effort. Even with good coaching, supervision and equipment, risks include:

- Sprains, strains, bruises, cuts and muscle soreness
- Broken bones, dislocations and ligament injuries
- Concussion and other head, neck, eye and dental injuries
- Collisions with other players, balls, goals, equipment or fixed objects
- Falls on grass, turf, courts or uneven surfaces
- Heat illness, dehydration, sunburn, lightning and other weather exposure
- Overexertion and, rarely, serious injury or death

I will make sure the player wears all required safety equipment, such as shin guards, a mouthguard or a helmet, and brings water to every practice and game. Coaches may stop or cancel play because of weather, field conditions or safety concerns.

Medical treatment authorisation

If the player becomes ill or injured during a league activity, I authorise **[League or Club Name]**, its coaches and volunteers to:

- Give first aid
- Call emergency services and arrange transport to a hospital or medical provider
- Consent to examination and treatment that a qualified medical provider considers necessary when I cannot be reached in time
- Share the medical information in this form with treating providers

I agree to pay medical and transport costs not covered by insurance, except where applicable law provides otherwise.

Assumption of risk

I understand the activities and risks described in this form. I have disclosed the player's health conditions accurately, and I confirm that the player is physically able to take part.

On behalf of myself and the player, I knowingly and voluntarily accept the ordinary risks of youth sports, including risks that cannot be removed through reasonable care and supervision.

Liability release

To the fullest extent permitted by applicable law, I release **[League or Club Name]**, its directors, officers, coaches, officials, volunteers, sponsors and the owners of the fields and facilities it uses from claims arising from the ordinary risks of youth sports knowingly accepted in this form, and from information about the player that I withheld or gave inaccurately.

This release does not exclude or limit liability that cannot legally be excluded or limited, including liability for gross negligence, intentional misconduct or any other liability that applicable law does not allow to be waived. Whether a parent or guardian can release claims on behalf of a minor depends on the law where the league operates.

Privacy and recordkeeping

The league collects and keeps the information in this form to manage registration, eligibility, teams, payments, volunteers, health and safety, incident reports and communication with families. It is handled according to the league's privacy notice and applicable data-protection laws. Player contact and medical details are shared only with the coaches, team managers and providers who need them, and may be shared with the league's governing body or insurer where required.

Final declaration

By signing this form, I confirm that:

- I am the parent or legal guardian of the player, or am otherwise authorised to sign for them.
- The information in this form is complete and accurate, and I will tell the league about any changes during the season.
- I have read the concussion information and discussed it with the player.
- I agree to the fees, refund, code of conduct and media terms on behalf of myself and the player.
- I understand and accept the risks of youth sports and authorise medical treatment as described.
- I understand that this form does not remove rights or protections that cannot legally be waived.
