

Party waiver form

Party Participation Waiver & Assumption of Risk

Please read this agreement carefully before participating in the party, celebration, private event, or related activities.

Participation in party activities

I understand that the event may include games, dancing, physical activities, entertainment, play areas, recreational equipment, food and refreshments, and other activities normally associated with a party or private event.

Activities offered at a particular event may vary. Participants are responsible for following instructions, posted rules, age or ability restrictions, and reasonable directions from the host, venue staff, activity providers, or event organizers.

Assumption of risk

I understand that participating in a party or recreational event may involve inherent and other risks that cannot be completely eliminated even when reasonable safety precautions are followed.

Possible risks include slips, trips, falls, collisions with people or objects, physical exertion, running or jumping, contact during games or activities, cuts, bruises, strains, sprains, allergic reactions, food-related reactions, and injuries associated with equipment or facilities.

Depending on the activities offered, more serious injuries may also occur. I understand that participation is voluntary and I accept the inherent risks associated with the activities in which I or the minor participant choose to participate.

Higher-risk activities

Certain activities, attractions, or equipment may involve risks beyond those normally associated with a general party. These may include inflatables, trampolines, swimming or water activities, climbing, rides, motorsports, contact sports, or other higher-risk activities.

The organizer or activity provider may require additional rules, safety instructions, eligibility requirements, or a separate activity-specific waiver before participation in those activities.

Health, allergies & participation

I am responsible for determining whether I or the minor participant is able to safely participate in the event and its activities.

I agree to disclose relevant allergies, medical conditions, injuries, physical limitations, or other circumstances that the organizer reasonably needs to know to help manage participation.

I understand that participants should not take part in an activity if they are unwell, injured, unable to follow safety instructions, or otherwise unable to participate safely.

Children & supervision

If the participant is a minor, the parent or legal guardian is responsible for providing accurate information about the child and complying with the supervision, check-in, pickup, age, and activity rules established for the event.

Unless the organizer has expressly agreed to provide supervision or childcare, attendance at the event does not transfer general parental or guardian responsibility for supervision of the child.

Venue, equipment & conduct

I agree that the participant will use facilities and equipment only as intended, respect barriers and restricted areas, follow event and venue rules, and avoid reckless, unsafe, or disruptive conduct.

I agree to report damaged equipment, spills, hazards, unsafe behavior, or other conditions that may create an immediate risk to the organizer or venue staff when reasonably possible.

The organizer or venue may restrict or stop participation if a person's behavior, physical condition, failure to follow instructions, or use of equipment creates an unreasonable safety risk.

Food & allergies

Food, beverages, snacks, cake, or other refreshments may be served during the event. I am responsible for informing the organizer of relevant known food allergies or dietary restrictions and for asking questions before consuming food when ingredients are uncertain.

Unless specifically represented otherwise, the organizer cannot guarantee that food preparation or serving areas are completely free from particular allergens or cross-contact.

Emergency medical care

If an injury, allergic reaction, or medical emergency occurs and I am unable to provide timely instructions, I authorize the event organizer, venue staff, or their representatives to provide reasonable first aid and contact emergency medical services when they believe it is appropriate.

I understand that event staff may not be medical professionals, that no particular medical outcome is guaranteed, and that responsibility for medical expenses remains with the participant or responsible party to the extent permitted by law.

Personal belongings

Participants are responsible for reasonable care of their personal belongings. The event organizer and venue do not guarantee protection against loss, theft, or damage to personal property.

Release of liability

In consideration for being permitted to attend and participate in the event, I voluntarily assume the inherent risks associated with the event and the activities in which I or the minor participant choose to participate.

To the fullest extent permitted by applicable law, I release and waive claims against the event organizer, host, venue, property owner, employees, contractors, volunteers, representatives, and activity providers arising from injury, illness, death, loss, or property damage connected with participation, including claims arising from ordinary negligence where such claims may legally be waived.

This agreement does not release liability or waive rights or claims that cannot legally be released or waived under applicable law.

Participants under the age of majority

If the participant is under the legal age of majority, this form must be completed and signed by a parent or legal guardian. By signing, the parent or legal guardian confirms that they have authority to provide consent for the minor participant.
